

## Important | New International Product

Dear partner,

We would like to inform you that as of April 27, 2023, GOL's **Branded Fares** product will be implemented for the entire market in the GDS systems "Abacus, Amadeus, Galileo and Sabre".

Now you will have available all **public tariff** content to offer your customers! There will be more fare options with **baggage allowance** for you to sell even more!

Enjoy!
