What to do in Mendoza?

- **Enjoy the wine and gastronomy:** In every corner of the province, relish the exquisite dishes elaborated from the local products, and accompanied by the finest wines from the different production oases – all with the company of the magnificent Southern Mendoza scenery.
- **Nature trailing:** Trekking, mountain biking, rafting, bungee jumping, horseback riding, and mountain trail runs, among many other activities, can be done throughout all days of the year. If what you seek is a relaxing experience, full of quiet scenery meditation, thermal water baths, or open air massage sessions, all can be provided in Mendoza.
- **Experience the local culture,** such as the Vendimina National Celebration, an internationally renowned event, and the night life: theater, music, museums, and galleries – even art galleries in wineries. Successful sets such as “Classical Music through the Wine Path”, “Tango through the Wine Path”, which form part of more than a decade’s worth of the annual cultural agenda. Additionally, bars and clubs offer a fun experience for a younger audience.
- **Snow and winter:** The Mendoza Winter is incredible, with an immense mountain range as a majestic frame, The ski center and snow parks welcome tourist from all places - from advanced and competitive skiers, to the beginners who look for a good time with their families and enjoy the snow white mantle.

Touring Mendoza

El International Airport El Plumerillo connects directly (and with regular frequencies) to Buenos Aires, Santiago in Chile, Lima, and San Pablo; along with Panama flights. Cabotage flights help connect with the major cities in the country – in many cases with direct flights. Mendoza contains a public transportation system that connects the capital city with the rest of the province. Copa Airlines brings you to Mendoza with the service that a world-class airline can provide.
