BCN

### Barcelona

#### Leisure

Barcelona is the most cosmopolitan city in Spain and the one that holds most of the economic and touristic activity. In this city your clients will wander around streets full of history, that find in their cultural variety their greatest wealth. Thanks to its location at the north-east of the Iberian Peninsula, your clients will enjoy the Mediterranean Sea in summer and the ski slopes, located in the Catalan Pyrenees in winter. The city owns very interesting museums, delightful restaurants and a great architectural variety as well as being home of the F.C. Barcelona, a unique experience for soccer lovers.

#### Business

Barcelona is considered the economic engine of Spain and one of the most important cities in Europe to make businesses. Some of the most important design, fashion and industrial design agencies are located here, as well as industries like textile, art, marketing, digital trends and of course tourism.

#### Go Further

Your clients will be able to connect to the main European cities thanks to our alliances with other SkyTeam members.

### Dear Business Partner,

It is a pleasure to let you know that Aeromexico announces the opening of its new route between Mexico City and Barcelona as of June 15th, 2019. Below you will find some interesting facts about this route.

### Mexico City

#### Leisure

Mexico City is considered as a "must visit" city in 2019 according to the National Geographic magazine. Your clients will find a diverse gastronomic offer, important museums, neighborhoods full of history, majestic architecture that speaks for our present, always looking to the future but never forgetting out past.

#### Business

Most of the main corporate headquarters are in the capital of Mexico. Areas like Santa Fe, Paseo de la Reforma and Polanco are a good example of the economic growth that the city has gone through due to the trust of foreign investors and local talent.

#### Go Further

Via Mexico City your clients will be able to connect to our 60 national destinations plus North and Latin America.
